

## **Weather-Related Closings**

For the safety of our FLCP families and staff, we have created the following policies for weather-related closings.

### **FULL DAY CLOSING**

Our Children's Programs strive to stay open during inclement weather. The Director, in consultation with Advisory Board members, may close the program, have delayed opening, or close early under extreme weather conditions or weather-related issues. Storm closings or delayed openings will be listed under First Lutheran Children's Programs and will be posted by 6:00am on:

- Our phone line, (207)797-2260
- Our website, [www.flcp-childcare.org](http://www.flcp-childcare.org)
- The FLCP Facebook page, [www.facebook.com/flcpkids](http://www.facebook.com/flcpkids)
- WGAN, Channel 6
- WCSH, Channel 13

### **EARLY CLOSING**

Under extreme weather or safety conditions, the Director, in consultation with Advisory Board members, may close the Programs early. Parents will be notified as follows:

1. If the decision is made before opening at 7AM, parents/guardians will be notified upon arrival.
2. If the decision is made after opening at 7AM, parents/guardians will be notified regarding the early closing time via email or a phone call.

## **Planned Closings**

Our Programs are closed on all legal school holidays, December Vacation, Good Friday, April Vacation, and 1-1 ½ weeks in late August.
